Notice of Withdrawal for Sarah Blevins

Dear Calvert County BoE Executive Staff and Board Members:

On Friday, June first, a full month after you were notified of the attempt to set up Sarah, we hand delivered a letter withdrawing Sarah from Calvert County Public Schools. She will be in private school next year. We regretfully and apologetically informed Ms. Bussard that Sarah will not be able to continue with the honor of NJHS, and stated our hope that the honor could be transferred to someone else who had worked hard and applied, but that we could not have imagined at the time that we would realize we could not justify sending Sarah to Southern or any other CCPS school again.

We are angry for Sarah and the difficulty and upheaval she has already gone through and that she will continue to experience. If we had any idea something like this could have happened we would never have moved to Calvert County.

Ms. Maxey has been nothing but professional and helpful in her attempts to provide us records. We are eager to receive them, and have notified her of the date Sarah filled out the bullying response sheet – November 17, 2018, which so far Southern has been unable or unwilling to provide her.

Dr. Curry – Congratulations. You have driven off one of the students teachers are happy to have in their classrooms and whose reputation precedes her as a being a bright, honest, eager, caring and helpful student.

Sincerely,

John Blevins

Katharine Blevins
