Daniel D. Curry, soon-to-be-former Superintendent and de facto Records Custodian  
1305 Dares Beach Road  
Prince Frederick, MD 20678

Daniel D. Curry:

The Central Office, until two days ago at 10:12am, was open by appointment "Monday thru Thursday from 9 a.m. until 12:00 p.m.." We will be there shortly, and we hope to be allowed in the building to reasonably and thoroughly review the emails we requested, and potentially pay for and take them. At the very least, we expect we should be able to do the same on the front steps, and transfer records and payment through the front doors. We plan to pay for the financial records no matter what, and hope they will have been sent in full to our email by the time we return home, as requested.

As Mr. Titus is CCPS' Community Resources and School Safety Specialist, and retired State Police, he should be very concerned with circumstances surrounding the surveillance records and the contents of the emails. We will continue to copy him on letters pertaining to our requests. He was only first copied into anything on 6/6, although we have no understanding of how he may have been involved in the production of records and was never mentioned before.

Below is an updated COVID questionnaire.

*Have you been in close contact with anyone who has been sick with a cough, fever, shortness of breath, chills, muscle aches, sore throat, or loss of sense of taste or smell within the last 14 days? Close contact is considered being closer than six feet to someone for more than 15 consecutive minutes. **NO***

*Have you been notified of exposure to COVID19 and tested positive or advised by your healthcare provider or Calvert County Health Department to self-isolate for 14 days? **NO***

*If you were advised to self-isolate for an exposure, what date did you start self-isolation? (Ensure 14-day period has expired and the individual does not show any signs of illness during isolation period) **There has been no need for either of us to self-isolate.***

We will have just used hand sanitizer, wear masks, and observe social distancing guidelines.

Hoping we receive full records,

John Blevins
